MEMORANDUM FOR: Mr. Karamessines	
SUBJECT	: Fulbright Hearings Transcript (20 February)
	ttached is the transcript of the 20 February Executive
Session of the Fulbright Hearings. special assistant, has asked us to review this transcript and make suggestions or recommendations on portions we would like deleted from the record.	
2. 1	have gone through the entire transcript and put a slip of
yellow paper	in front of every page on which the Agency is mentioned y clear implication. I am very reluctant to carry any water
	his exercise and would prefer to avoid casting an Agency
	n do so. Most of what we want taken out DOD and/or State
vote 11 we ca	n do so. Most of what we want taken out LOD and/or State
will also war	at taken out; so my inclination is to let them bear the onus.
will also war Actually, in	nt taken out; so my inclination is to let them bear the onus. light of all that has been printed and published in recent
will also war Actually, in weeks, there	at taken out; so my inclination is to let them bear the onus.
will also war Actually, in weeks, there if it appeared	it taken out; so my inclination is to let them bear the onus. light of all that has been printed and published in recent is very little that would honestly do us serious damage
will also wan Actually, in weeks, there if it appeared 3. If I think some	taken out; so my inclination is to let them bear the onus. light of all that has been printed and published in recent is very little that would honestly do us serious damage d in the New York TIMES as much of it probably will. we want to cast any negative votes, the two places where representation might be appropriate are the following:
